

AX 14 & AX 410

Caring for your carpets

- Next generation in daily small area scrubbing and drying

Keeping operation costs down

AX 410

The AX 14 provides an easy-to-use, effective way of taking care of stains on carpet and textile coverings. The machine is light and compact, easy to store and simple to transport from area to area or job to job. When fast spot cleaning is required, the AX 14 will take care of it.

- A full range of accessory tools for flexibility in handling various applications
- Ideal extractor for cleaning contractors, institutions, restaurants, rental stores, hotels etc.

The AX 410 offer you the unique dual cleaning mode system to allow you to switch between a real deep clean of the carpet, and a low moisture maintenance mode that ensures a fast turnaround of the area. Ideal for cleaning medium sized carpeted areas in offices, schools, airports, restaurants, hotels, shopping malls, and other heavy traffic areas.

- Quality design and first-class engineering saves water and chemicals
- State-of-the-art moisture recovery speeds up drying time
