

SC FLÜSSIG

Liquid graffiti remover - odourless

Area of application

For interior and exterior graffiti removal. For removing spray paints and paint and felt tip pen residue from all smooth and porous surfaces. Ready-to-use.

Application

Apply SC FLÜSSIG undiluted and evenly. Monitor dissolving process. Remove and wash off any dissolved residue immediately. Rinse thoroughly with water. Dry sensitive surfaces such as paint with an absorbent cloth or similar to prevent shadows caused by the cleaning solution. Work steps can be repeated until the desired result is achieved.

Product characteristics

- **NMP/NEP, VOC-free (i.e. non-volatile solvent)**
- Free from orange terpene (significantly reduces allergy risk)
- Suitable for use together with other graffiti removers in the SC anti-graffiti range
- Completely odour-free
- Practical 500 ml bottle for mobile cleaning, 5 l canister/10 l canister for large areas
- Consumption approx. 150 ml/m²
- **Approved according to the DB standard RIL 910**
- For internal and external cleaning of vehicles and buildings
- Ready-to-use

Note

Test material compatibility on an inconspicuous area prior to initial use. **Product contains renewable raw materials** – discolouration is normal and has no impact on the quality of the product.
